Society History and Objectives

The original clan Logan Society was founded by Thomas Logan, Esq., Provost of Patrick, in Glasgow in 1913. Two successful gatherings were held in Glasgow in 1913 and 1914. With the advent of WW1, the clan gatherings were placed in abeyance. So many clansmen laid down their lives for King and country during that war that the society disbanded at the war's end.

Clan Logan Canada was founded by Steven Logan, on July 13th, 2024. He became Director of Clan Logan Canada after being the head of the Clan Logan Society of Canada for Clan Logan Society International as Clan Logan Commissioner of Canada for 9 years.

Clan Logan Canada is the end result of many years of community service and our founder decided it was best to create an independant organization for all Scottish Logans in canada, their friends and supporters.

Membership is free and open to all Logans of Scottish descent or by mariage and adoption as well as anyone who is not a Logan but willing to adopt and participate in our Logan scottish traditions, culture and ancestry.

Surnames associated to clan Logan include: Lagan, Laggan, Leonard, Loban, Logen, Logg, Loggan, Loggane, Logans, Loggins, Loghane, Loghyn, Login, Logyn, Lopan, Lowgan, Lyndon.
